Company Affairs

The Company was incorporated in January 19, 1984 with only one operational unit (Carbon Rod) since before coming under the existing management. In 1988 the entire factory was submerged under flooded water. From 1989 the company came under the supervision of the current management through the then Bangladesh Shilpa Rin Sangstha (BSRS) which is now named as Bangladesh Development Bank Limited (BDBL).

Listing:

In 1996 the company floats 90,000 ordinary shares of Tk.100/- each to call funds from general shareholders and in the latter years it had declared stock dividends among the shareholders. Currently it's paid-up capital stands at 6,855,931 (Effective from 31st July 2023) ordinary Shares of Taka 68,559,309.

Performance Flashback:

Unit-01: Carbon Rod

In the year 2012, the Unit-01 went under a long maintenance due to distortion of productivity of Unit-01. We had appointed Padma Techno-Consult & Survey Ltd., a heading consulting engineers & surveyors to understand the current status of the plant. The original supplier of Carbon Rod factory closed their factory. So, our existing factory could not get spare parts from them and spares are not available from other sources. Hence the quality of Carbon rod was deteriorating by day by day and losing the matter, so the management was compelled to close the Carbon rod unit. Since then this particular unit has not gone for operation.

Unit- 02: Coal Tar

The company opened coal tar unit as by product of unit-1 in 2002. But due to the drastic fall of demand in the market of Bangladesh the operation of coal tar also had been terminated.

Unit- 03: Pesticide

There were no significant marketing networks and distribution channels available then to generate profit for the company. Besides, several market forces shrank the success path of the company significantly. As a result, the company was unable to continue the operation of the pesticide unit anymore considering the both short and long-term business perspectives.

Unit- 04: CNG

In 2009 the CNG unit had been opened in the factory up to 2015, the CNG Unit was only operational Unit of the company. Like the previous years, Unit-04, the CNG filling and re-fueling station's operation has been carrying out successfully.

Unit 05-IT Unit

The Kay & Que IT Unit acts as a multifaceted software, digital solutions, and value added service provider. In addition to the above services Kay & Que IT Unit provides quality content, VAS and IVR (Interactive Voice Response Services), Text Based Services, Premier Services, GPRS Contents, and Large Scale Enterprise Software/Hardware Turn Key Solutions. There are several different engagement models- including SaaS (software as a service), BOT (build operate transfer), BOO (build own operate), and PPP (Public Private Partnership). The unit has developed customized and unique web solutions starting from simple corporate websites to E-Commerce solutions. Additionally, it provides cyber security solutions.

Amalgamation of Kay & Que with MultiSourcing Limited:

Since the units has gone for long term maintenance, the Management continuously tried to introduce the new investments in the company. Meanwhile, the Company revaluated its asset by M/s. Mahfel Huque & Co., Chartered Account, a Valuation firm listed with Panel Valuer List of Bangladesh Securities and Exchange Commission (BSEC). Considering the Cut-off date on 31-12-2017, the company revalued the assets of the company which stood Tk.584,795,873/- against the book value of Tk. 138,134,723/- The Report was approved by the Board of Directors in its 155th Meeting of Board of Directors. Further to that, the Board of Directors in its 155th meeting decided to amalgamate MultiSourcing Limited with Kay & Que (Bangladesh) Ltd. This is important to mention here that, Bangladesh Securities and Exchange Commission has accorded its kind consent as on 17th July 2023 Vide Memo No: BSEC/CI/CPLC (Public)-1072/2023/1339 under the provisions of the Securities and Exchange Commission (Issue of Capital) Rules, 2001 for raising the paid-up capital of Kay & Que (Bangladesh) Limited from existing Tk. 51,476,560/- to Tk. 68,559,309/- by issuing 17,08,275 nos. of ordinary shares @ Tk. 10/- each totaling Tk. 17,082,750/- (Taka One Crore Seventy Lac Eighty Two Thousand Seven Hundred Fifty) only to Shareholders of MultiSourcing Limited in accordance with the Securities and Exchange Commission (Issue of Capital) Rules, 2001 as per the Scheme of amalgamation approved by the shareholders and the High Court Division of the Supreme Court of Bangladesh.

Under the supervision of the directors the Management planned and subsequently ran the boulder business by importing Boulder & Stones from Bhutan and India and Crash them to chips for retailing in Bangladesh. For the smooth implementation of the business plan the company has availed the following loan facilities:

Bai Muazzal- Working Capital (Refinance)	25,000,000
Total	81,000,000

The company attempts to maintain its supply of materials by importing Boulder and stone chips from Bhutan and India. The area of about 1.5 acres land was taken as lease at Burimari Land Port. The imported boulder and stone chips natural & stone are stored in the leasehold premises and sold out from the spot. During the year (2023-2024), the sales revenue stood at Tk. 84,632,446 as compared to Tk. 30,657,564 in the year of 2021-2022.

Land lease to CG Foods (Bangladesh) Limited:

Due to long stoppage of operation, most of the raw materials and machineries became obsolete. In this circumstances, the shareholders raised a demand to sell out the machineries in its 31st Annual General Meeting held on 21 June, 2015 and urged to the Board of Directors to diversify the operation or to find out a feasible way to generate income from the said abandoned units and also demanded to dispose of the damaged materials of the company.

Considering all the circumstances, the company had agreed on the offer for lease out 114,680.00 Sft land of Factory premises and 3,250 sft. Space of office Building to CG Foods (Bangladesh) Ltd. for a period of 15 (fifteen) years as per below schedule and advance equivalent to one year's rent.

Tenure	Factory Premises (Per Sft. Rent In Tk.)	Office Building (Per Sft. Rent In Tk.)
First 3 (three) years	Tk. 8.00	Tk. 12.00
Second 3 (three) years	Tk. 9.20	Tk. 13.80
Third 3 (three) years	Tk. 10.40	Tk. 15.60
Fourth 3 (three) years	Tk. 11.60	Tk. 17.40
Final 3 (three) years	Tk. 12.80	Tk. 19.20

As per agreement the company has completed its first 03 (three) years of lease and rent agreement with CG Foods (Bangladesh) Ltd. Under mutual agreement, it has been decided that CG Foods (Bangladesh) Ltd. will not take the office building as rent which was under lease agreement as they have managed to accommodate their office building in their own premises. As a result, the rental income has reduced to the extent of Tk. 39,000.00 per month. However, during the year (2023-2024) the lease rental income of the company stood at Tk. 9,433,536 which is a 20.86% growth as compared to that of previous year's due to increase in per sft. Case has been filed for release of 0.43 acre of land. The case is pending. Out of the total Clear land a dispute has been received for 1.20 acre of land which will be resolved amicably.

Marketing Activates:

As of current state of affairs of the company, it has been dealing with a CNG station, Rental income from lease of factory premises & Sales revenue from Boulder & Stone chips. Here, it is mentionable that there

are no significant marketing activities required for CNG business. Because, it is based on direct demand & supply mechanism where customers do not bother that much about promotional activates.

On the other hand, lease rental income also doesn't require any considerable marketing efforts whatsoever. It's a matter of vigilant and opportunistic mindset of the company's management by which Kay & Que (BD) Ltd. has successfully skipped the possibility of loss-burden estimation through the lease rental agreement with CG Foods (Bangladesh) Ltd.

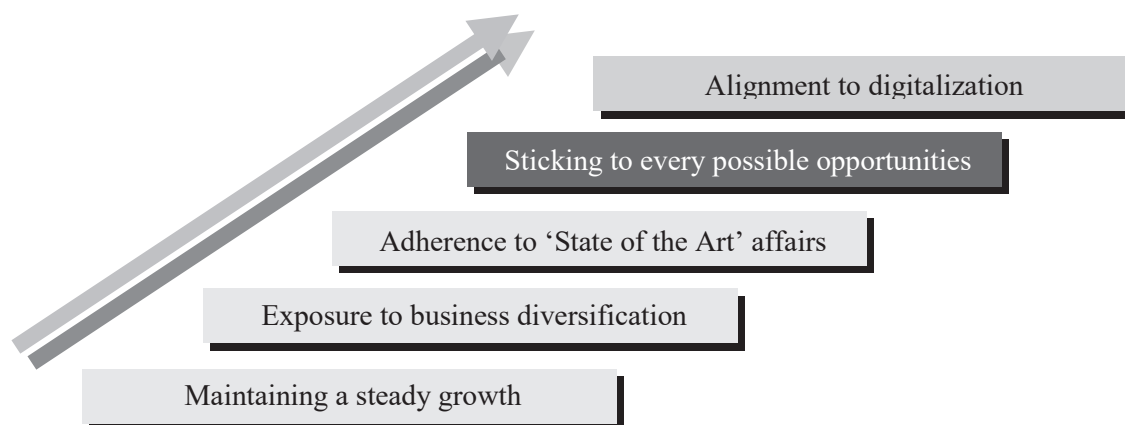

Boulder and Stone chips is another window of opportunity for the company. Though there are no remarkable marketing efforts, this business wing started to shine with a ray of hope and fair share of positive business growth. But, that doesn't necessarily confirm that Boulder and Stone chips doesn't require any marketing endeavors. Basically, this business unit's marketing efforts are based on One to One communication, Regular & Occasional visit to the actual and potential customers. In addition, Business to Business (B2B) along with options for Business to Government (B2G) channels where Word of Mouth, Feasible Supply Chain Management, Product Quality & Efficient product delivery efforts get prioritized.

**Independent Auditor's Report
To the Shareholders of Kay & Que (Bangladesh) Limited**

Report on the Audit of the Financial Statements

Qualified Opinion

We have audited the accompanying Financial Statements of Kay & Que (Bangladesh) Limited which comprise the Statement of Financial Position as at June 30, 2024 and the Statement of Profit or Loss and Other Comprehensive Income, Statement of Changes in Shareholder's Equity, Statement of Cash Flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as at June 30, 2024 and its financial performance and its cash flows for the year then ended in accordance with International accounting Standards (IASs) International Financial Reporting Standards (IFRSs), the Companies Act, 1994, the Securities and Exchange Rules, 2020 and other applicable laws and regulations.

Basis for Qualified Opinion

1. We refer to Schedule A and Schedule A (IT), where the company has reported Tk. 547,991,190 as Property, Plant and Equipment. We were unable to verify the figure due to absence of appropriate Fixed Asset management system, which is non-compliance of IAS 16: Property, Plant and Equipment.
2. As disclosed in note 17, the company has shown an amount of Tk.4,049,918 as liabilities for WPWF which includes prior year amount of Tk. 3,614,688 that has not been paid by the company to the fund. As per Labor Act, 2006 section 242 (1) the total amount shall be distributed in equal proportion to all workers. Also that, as per section 240(3) The company shall pay interest on the amount of the Participation Fund which is used for its business at the rate of two and a half percent above the bank rate or 7.5% (seventy five percent) of the rate at which dividend is declared on its ordinary shares, whichever is higher.

Emphasis of Matter

In forming our opinion on the Financial Statements, we considered the following matters and the facts that:

1. We would like to draw attention to note 12, of the financial statements, which outlines that Kay & Que (Bangladesh) Limited merged with Multisourcing Ltd. from a Scheme of Arrangement for Demerger and Merger involving Kay & Que (Bangladesh) Limited and MultiSourcing Ltd. by The High Court Division of the Supreme Court of Bangladesh approved the scheme on December 04, 2022 providing for the (i) demerger of MultiSourcing Ltd. into Kay & Que (Bangladesh) Limited Under this scheme, Kay & Que (Bangladesh) Limited acquired the MultiSourcing Ltd. in exchange for its equity shares. The Certified Copies of the court order were received by the Companies on 04.12.2022 and filed with the Registrar of Joint Stock Companies and Firms (RJSC) on 31 July 2023. The Court ordered that the Scheme of Arrangement for Demerger and Merger shall form part of the judgement and order. The court directed that all regulatory bodies including RJSC shall give effect of this Scheme of Arrangement for Demerger and Merger without any further act, deed, petition or order whatsoever. The Merger Appointed Date was 01 Jan 2018; however, its effects are reflected in the financial statements as of July 31, 2023 with restatement of the previous year's figures as an adjusting event. In reference to the note 12.05 of the financial statements, we draw attention that the ownership of the assets and liabilities incorporated in merger and post-merger effects and business license of MultiSourcing Ltd. has been transferred to Kay & Que (Bangladesh) Limited through the court order, but the administrative processes of transfer of such Assets and Liabilities and business license with regulatory bodies, are still in progress of being updated and some of the assets like current account with banks and accounts receivable remain untransferable.
2. As disclosed in note # 16.00, the company has shown an amount of Tk. 3,198,396 as Unclaimed Dividend as on 30-06-2024. The designated bank account for dividend has shown a balance of Tk. 216,200 as at 30.06.2024. Hence, there is a shortfall of Tk. 2,982,196 in the dividend bank account. This is a non-compliance of the section 28 (1) of Dhaka Stock Exchange (Listing) Regulations, 2015.
3. As per directive no BSEC/CMRRCD/2021-386/03 dated 14 January 2021 of any dividend remain unpaid or unclaimed or unsettled including accrued interest (after adjustment of bank charge, if any) thereon for a period of 3 (three) years from the date of declaration or approval or record date, as the case may be, shall be transferred to Capital Market Stabilization Fund (CMSF). But the company has not transferred unclaimed dividend of Tk 2,285,384 which is unpaid for more than 3 years.

Our opinion is not modified in respect to these matters.

A. WAHAB & CO.
Chartered Accountants

We conduct our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), Bangladesh Securities and Exchange Commission (BSEC) and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code and the Institute of Chartered Accountants of Bangladesh (ICAB) By Laws. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the Financial Statements in accordance with IFRSs, and for such internal control as management determines is necessary to enable the preparation of Financial Statements that are free from material misstatement, whether due to fraud or error. In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Company's Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

A. WAHAB & CO.
Chartered Accountants

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements:

In accordance with the Companies Act, 1994 and the Securities and Exchange Rules, 2020, we also report the following:

- a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit and made due verification thereof;
- b) In our opinion, proper books of accounts as required by law have been kept by the Kay and Que (Bangladesh) Limited so far as it appeared from our examination of those books;
