## DIRECTORS' REPORT

### Dear Valued Shareholders,

It is our immense pleasure and privilege to place herewith the Directors' Report and Auditor's Report including the Compliance Report and the Audited Financial Statements of Kay and Que (Bangladesh) Ltd. for the year ended 30th June, 2018.

This Report confirms compliance of Corporate Governance Code – 2018 relevant laws, regulations, directives, notification as guided and directed by BSEC and Companies Act, 1994 and industrial best practices being exercised in the presentation of the Companies financial accounts as well as on operation.

For understanding and information of shareholders, we have included the present status and the future business plans as well as the ongoing restructuring activities of the company.

### Overview State of Company Affairs:

The company was incorporated in January 19, 1984 with only one operational unit (Carbon Rod) since before coming under the exiting management. In 1988 the entire factory was submerged under flooded water. From 1989 the company came under the supervision of the current management through the then Bangladesh Shilpa Rin Sangstha (BSRS).

In 1996 the company floats 90,000 ordinary shares of Tk.100/- each to called funds from general shareholders and in the latter years it had declared stock dividends among the she shareholders. Currently it's paid-up capital stands at 4,902,530 ordinary Shares of Taka.

In the year 2002 the company had opened coal tar unit as by product of unit-1. After that Pesticide & CNG unit had been opened simultaneously in 2008 & 2009.

But due to distortion of operation of productivity and problems in machineries of carbon rod, The producation was being suspended. Management was keen to start the operation resolving the problems. But change of technologies compelled management to stop their plans for BMRE. Fur ther more, Drustical fall of Demand of coal tar in Bagladesh market, the operation of unit-2 had also become closed.

As a result, the company disposed all the machineries of Unit-1 & Unit-2 as scrape to a local vendor via proper tender process and demolished all establishments to lease out the vacant land to a Joint Venture Company for their food production unit for a period of 15 years.

Simultaneously, the Board of Directors in it's 155<sup>th</sup> meeting had approved the revaluation report & the company took initiative to amalgamate M/s. MultiSourcing Limited with Kay & Que (Bangladesh) Limited. The Application of the amalgamation has already been admitted by the Hon'ble High Court Division of Bangladesh Supreme Court. As per the Admission order of the Hon'ble High Court division of Bangladesh Supreme Court, we have completed the Extra-ordinary General Meeting (EGM) and Creditor's Meeting on 17th October 2018 at Sundarban Hotel. In this meeting all the eligible shareholders and creditors have given their consent and approved the Amalgamation Scheme unanimously.

On the other hand, the management is trying to diversify the business by opening a new unit to import boulders from India, Bhutan and some other countries to retail the same in different points of Bangladesh.

### **Operations of Unit – 1, 2 & 3:**

As we reported earlier that Unit-1 was a Carbon Rod producing unit, Unit-2 was Alkatra producing Unit & Unit-3 was a Pesticide unit.

**Unit-1:** In the year 2012 the Unit-1 has gone under a long maintenance due to distortion of productivity. We had appointed Padma Techno-Consult & Survey Ltd., a heading consulting engineers & surveyors to understand the current status of the plant.

In their report they have clearly mention that, the spare parts were not available in the local market. On the other hands, due to Crack in the kiln walls the extruder machine could't Maintain Proper Temperature.

In the year 2013 we wrote a letter to Bangladesh Securities & Exchange Commission (BSEC) regarding long maintenance of machinery and equipment.

In 2014 we had appointed another Chinese company named "G-Force holding" who had given us the same report about the present status of the machine. Further to that, the operation of those units were risky. In December 07, 2014 we wrote another letter to Bangladesh Securities & Exchange Commission (BSEC) regarding present status of machinery of the factory seeking their advice.

In reply BSEC informed us that, there is no scope of providing advice under the securities law. As there were no other choices, we had to suspend our operations of unit one Carbon Rod unit.

**Unit-2:** The Operations of coal tar unit was also suspended due to fall of demand in local market

**Unit-3:** As there were no marketing networks and distribution channels, packaging of pesticide was only mean of income from unit-3. but we had found no Viability from this packaging operations which results, the stoppage of the pesticide units.

After a long suspension of operations, the Board of Directors in the 144<sup>th</sup> meeting decided to sell out all the unused machineries of the Unit-1, and the Unit-2, at current market price and also to sell out the damaged raw materials at available market price, for the materials which do not have any market value, the board suggested to sell them out at scrape value, which has already been completed. The Board of Directors in its 145<sup>th</sup> meeting decided to Lease out the land of Unit-1 and Unit-2 to CG Foods (Bangladesh) Ltd. which was duly notified to our shareholders on 8th May, 2016.

**Unit-4:** As all other units had been disposed in 2016 since then CNG Unit is only operational Unit of the company. Like the previous years, Unit-4, the CNG filling and re-fueling station's operation was carried out successfully. Being adherent to the Highway and good pressure of gas, the CNG Station is preferred by the customers.

### **Operational Activities:**

Kay and Que (Bangladesh) Ltd. registered with RJSC in 1984 was handed over to the present management by the then BSRS (Bangladesh Shilpa Rin Sangstha) in October 1988. After the transfer to the existing management had updated equipment and production process to ensure the highest standard and continuation of the production. The carbon rod factory was well run after replacement of spare parts and routine maintenance. Unfortunately, some of the major

machineries namely Tunnel Kiln and Extruder started malfunctioning, which resulted distortion in quality of the products and production had to be stopped.

We had tried to contact the original manufacturer of machineries M/s. STC Corporation, Seoul, Korea through the local supplier M/s. Lucky Goldstar International Corporation, Dhaka. But found no existence of the original machine manufacturer in Seoul, South Korea. Later on we sought expert opinion from “Ralian” Cangzhou Yunlong Artex Manufacturing Co. Ltd., China on Tunnel Kiln and Extruder Machine. They sent us two experts, who had submitted report with their observations. As per the report, the Tunnel Kiln had developed cracks in the fire zone and it was very risky to run the kiln and the plunger pump of Extruder machine. Moreover, the model was not available due to change of technology. The experts suggested us to dismantle the Tunnel Klin and use “Screw Type” vertical fittings of Extruder Machine.

We received another opinion regarding the present status of kiln, Extruder Machine from M/s. Padma Techno Consultant Survey Ltd., Dhaka who was associated with the factory during erection, installation and commissioning of the plant. The Company suggested refurbishment of kiln and replacement of Extruder Machine. Under the circumstances, management had decided to stop the production of Carbon Rods as well as Coal Tar and Coal Tar Pitch to avoid huge financial losses.

From the year 2014, the Unit-3 had also stopped its packing activities and rented out the property to Chens Crop Science (BD) Limited which had generated rental income.

Due to long stoppage of operation, most of the raw materials and machineries became obsolete. In this circumstances, the shareholders raised a demand to sell out the machineries in its 31<sup>st</sup> Annual General Meeting held on 21 June, 2015 and urged to the Board of Directors to diversify the operation or to find out a feasible way to generate income from the said abandoned units and also demanded to dispose off the damaged materials of the company and for diversification of the business of the company. The Board of Directors in its 144<sup>th</sup> Board Meeting decided to dispose-off the damaged raw materials and also obsolete machineries in current market price or if required, then in scrap value. In reference to the decision, we made a price sensitive information notice in two National dailies for the information to the valued shareholders as well as informed BSEC, DSE & CSE subsequently.

The company had properly evaluated the assets, earmarked the same for disposal, retention and called an open tender to general public. After proper evaluation, the tender was awarded to a local company named M/s. Shifat Enterprise at the reward value of Tk. 74.00 Lac. The Board of Directors in its meeting had evaluated the total process and expressed their satisfaction on this issue.

Considering all the circumstances, the company had agreed on the offer for lease out 114,680.00 Sft land of Factory premises and 3,250 sft. space of office Building to CG Foods (Bangladesh) Ltd. for a period of 15 (fifteen) years as per below schedule and advance equivalent to one year's rent.

Tenure	Factory Premises (Per Sft. Rent In Tk.)	Office Building (Per Sft. Rent In Tk.)
First 3 (three) years	Tk. 8.00	Tk. 12.00
Second 3 (three) years	Tk. 9.20	Tk. 13.80
Third 3 (three) years	Tk. 10.40	Tk. 15.60
Fourth 3 (three) years	Tk. 11.60	Tk. 17.40
Final 3 (three) years	Tk. 12.80	Tk. 19.20

A notice of Price sensitive information was duly served on 08th May 2016 to BSEC, CSE, DSE and the General Shareholders regarding this Agreement.

### Marketing Activates:

As the CNG Station is only productive unit of the company, there is no significant marketing activity of the company.

Considering the existing Gas, Electricity and other Utility facilities, the management had been seeking for opportunities to generate income, which would also help to reduce the accumulated losses and also to generate profit for the company.

Apart from the existing restructuring process through Amalgamation with MultiSourcing Limited and the Boulder/Stone business, the management is keen to establish new projects. Meanwhile, the management initiated feasibility studies of several projects and prospective financial sources.

## **Internal Control & Risk Management**

### **Internal Control**

Internal control is a process for assuring achievement of an organization's objectives in operational effectiveness and efficiency, reliable financial reporting, and compliance with laws, regulations and policies.

The internal control system at Kay & Que (Bangladesh) Ltd. is based on annual operational planning, ongoing management accounting and control, as well as regular board meeting and reporting to the Regulatory bodies. Annual Planning defines budget on the basis of Micro economic analysis, its assessment of market conditions and cost targets. From this, specific targets are derived for individual operating units and setting targets.

The indicators used for this purpose are determined and presented uniformly in the Kay & Que (Bangladesh)

Ltd. Reports on financial status and selected sales volumes, and production overviews are prepared accordingly. Reports on results of operations and working capital are prepared also in order to monitor cash

flow as a key management indicator for the Company. Detailed reports on the assets positions are submitted at the end of each Quarter. At the management meetings, the Management committee discusses business developments, including target achievement, along with the outlook for the relevant year and any measures that need to be taken.

#### **Measures for Identifying, Assessing Risks**

In order to identify and assess risks, individual business transactions at Kay & Que (Bangladesh) Ltd. are analyzed using the criteria of potential risk and probability of occurrence. Suitable control measures are then established on the basis of these analyses. Furthermore, organizational measures (e.g. separation of functions in sensitive areas) and ongoing target/actual comparisons are performed for key accounting figures. The established control and risk management systems are not able to guarantee accurate and complete accounting with absolute certainty.

#### **Risk Assessment**

Kay & Que (Bangladesh) Ltd. is aware of the opportunities and risks for its business activity. The measures described above play a significant role in allowing Kay & Que (Bangladesh) Ltd. to make use of the opportunities to further develop the Company without losing sight of the risks. Our control and risk management system, standardized across the Company, ensures that any major risks that could negatively affect our business performance are identified at an early stage.

#### **Identification and Assessment of Risks**

The process of identifying risks is performed regularly on a decentralized basis by the management in Kay & Que (Bangladesh) Ltd. General macro-economic data as well as other industry-specific factors and risk information sources serve as auxiliary parameters for the Identification process. Appropriate thresholds for reporting relevant risks have been established for Kay & Que, taking into account the specific circumstances. On the basis of our Company's risk model and according to the defined risk categories, the risks are assessed. The risk statement also includes risks that do not have a direct impact on the financial situation, but that can have an effect on non-monetary factors such as reputation or strategy. In the case of risks that cannot be directly calculated, the potential extent of damage is assessed on the basis of Qualitative criteria such as low risk or risks constituting a threat to the Company's existence.

## **Risk Management**

Kay & Que (Bangladesh) Limited's risk policy is based on the business strategy, which focuses on safeguarding the Company's existence and sustainably increasing its value. Entrepreneurial activity is always forward looking and therefore subject to certain risks, Identifying risks, understanding them, and reducing them systematically are the responsibility of the Management Committee & the Board and a key task for all managers individually. Kay & Que is subject to various risks that are not fundamentally avoided, but instead accepted, provided they are consistent with the legal and ethical principles of entrepreneurial activity and are well balanced by the opportunities they present.

The Management Committee of Kay & Que is obliged to set up and supervise an internal control and risk management system. The Board also has overall responsibility for establishing risk assessment systems. The Audit Committee also reviews the effectiveness of the risk management system on a regular basis. The company has imposed transparent regulations to govern competences and responsibilities for risk management that are based on its structure. A code of conduct, guidelines, and principles apply across the Company for the implementation of systematic and effective risk management. The standardized internal control and risk management system at Kay & Que (Bangladesh) Ltd. is based on financial resources, operational planning, and the risk management strategy established by the Managing Board of the Company, It comprises several components that are carefully coordinated and systematically incorporated into the structure and workflow organization.

The essential elements of the risk management system are:

- Documentation of the general conditions for a methodical, efficient risk management in a Company guideline. In addition to this Risk Management Policy, the Code of Business Conduct is concerned with the code of conduct and compliance standards to be observed.
- Managers are responsible for corporate risk at operational level
- Direct information, reporting and open communication of Quantified risks between the Management committee and company managing Board;
- Standardized and regular reporting to Board.

## INDEPENDENT AUDITOR'S REPORT TO THE SHAREHOLDERS OF KAY & QUE (BANGLADESH) LIMITED

We have audited the accompanying Statement of Financial Position of KAY & QUE (BANGLADESH) LIMITED as of June 30, 2018 and the related Statement of Profit or Loss and other Comprehensive Income, Statement of Changes in Equity, Statement of Cash Flows and Notes on financial statement for the year then ended.

### Management's responsibility for the financial statements:

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Bangladesh Accounting Standards (BAS) and Bangladesh Financial Reporting Standards (BFRS), the Companies Act 1994 and other applicable laws and regulations. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies and making accounting estimates that are reasonable in the circumstances.

### Auditors' responsibility:

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Bangladesh Standards on Auditing (BSA). Those standards require that we comply with relevant ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expression an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting principles used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Opinion:

In our opinion, the financial statements prepared in accordance with applicable Bangladesh Accounting Standards (BAS), give a true and fair view of the state of the Company's affairs as of June 30, 2018 and of the results of its operations and its Cash Flows for the period then ended and comply with the Companies Act, 1994, and other applicable laws and regulations.

### We report that:

- a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit and made due verification thereof;
- b) In our opinion, proper books of account as required by law have been kept by the company so far as it appeared from our examination of those books;
- c) The company's Statement of Financial Position, Statement of Profit or Loss and other Comprehensive Income, Statement of Cash Flows and Statement of Changes in Equity dealt with by the report are in agreement with the books of accounts; and
- d) The expenditure incurred was for the purposes of the company's business

## INDEPENDENT AUDITOR'S REPORT TO THE SHAREHOLDERS OF KAY & QUE (BANGLADESH) LIMITED

We have audited the accompanying Statement of Financial Position of KAY & QUE (BANGLADESH) LIMITED as of June 30, 2018 and the related Statement of Profit or Loss and other Comprehensive Income, Statement of Changes in Equity, Statement of Cash Flows and Notes on financial statement for the year then ended.

### Management's responsibility for the financial statements:

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Bangladesh Accounting Standards (BAS) and Bangladesh Financial Reporting Standards (BFRS), the Companies Act 1994 and other applicable laws and regulations. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies and making accounting estimates that are reasonable in the circumstances.

### Auditors' responsibility:

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Bangladesh Standards on Auditing (BSA). Those standards require that we comply with relevant ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expression an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting principles used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Opinion:

In our opinion, the financial statements prepared in accordance with applicable Bangladesh Accounting Standards (BAS), give a true and fair view of the state of the Company's affairs as of June 30, 2018 and of the results of its operations and its Cash Flows for the period then ended and comply with the Companies Act, 1994, and other applicable laws and regulations.

### We report that:
